

Booking Information For West Wales Maritime Heritage Society Spoon Carving Workshops 2020

Due to Covid restrictions we can only make workshop bookings and take payments electronically. Hand hygiene and personal spacing will be observed. People should bring face coverings and any drinks or snacks with them. Toilets are available.

Because some tools are very sharp we can only accept bookings from adults. Although the workshop is suitable for beginners without previous woodwork experience it would not be suitable for people who are not confident in activities like slicing bread with a knife. Cut resistant gloves to EN388 standard A5 will be provided.

All participants will have a full safety and work methods briefing before starting to carve, and will be required to sign that they have understood the briefing.

The workshop will be held in The VC Gallery, 20 Dimond St, Pembroke Dock SA72 6AH. Please complete the following contact details and indicate which workshops you want to attend. Please do not transfer money until your place is confirmed.

Payment must be cleared into the society account by the Monday before the workshop.
